This includes the right of parties to speak in languages other than English, including but not limited to the Crow language. In order to permit fair and orderly expression of such comment the Board will permit public participation through oral or written comments prior to a final decision on a matter of significant interest to the public. The chair may control such comment to ensure an orderly progression of the meeting. Individuals wishing to be heard by the chair shall be first recognized by the chair and after identifying themselves will proceed to make comments as briefly as the subject permits. The chair may interrupt or terminate an individual's statement when statements are out of order, too lengthy, personally directed, abusive, obscene, or irrelevant. The entire board shall have the final decision in determining the appropriateness of all such rulings. Members of the public shall be recognized and allowed input during the meeting, at the discretion of the chair. It is important for all participants to remember that board meetings are held in public but are not public meetings.
